CABERNET SAUVIGNON 2009

Harvey River Bridge Estate is proud to hold the wine industry's most sought after award, the Jimmy Watson Memorial Trophy, for our Joseph River Estate Cabernet Sauvignon 2009, a premium reserve wine from one of our nine ranges.

The Joseph River Estate label is named in honour of founder, Giuseppe Sorgiovanni (Joe) who travelled from his small village of Caulonia, in Calabria, Italy in 1928 to start a new life in Australia. This premium wine range includes a Reserve Chardonnay and a Reserve Semillon Sauvignon Blanc, produced using small parcels of our finest wine grapes.

Tasting Notes:

Intense dark berries with cigar box and tobacco complexity. Dry, medium to full bodied with silky smooth tannins supporting blackcurrant and cherry fruits. 91% single vineyard Cabernet from northern Margaret River. 9% Geographe fruit aged in 60% new French oak for 24 months.

JOSEPH RIVER
ESTATE

"You only have to look at the list of awards for **Harvey River Bridge Estate** to realise what an impressive operation this place is. The aim is to achieve a match between variety, region and winemaker influence. The winery wants to make clean crisp whites and fruit driven reds designed for medium to short-term cellaring at five years."

Ray Jordans 2010 WA Wine Guide. West Australian Publishers, 2010
